

## June Golden Nugget Award Recipients

1. Mark Colone – Development (Area 1)

“Mark consistently goes above and beyond in his work and building relationships with those around him. He is the epitome of a team player and always has a fantastic attitude. I recently asked him if he could escort a guest who has trouble getting around to an event, and with no hesitation he said yes. In typical Mark fashion, he took the extra step of reconnecting that guest with a past alumnus, allowing them to get reacquainted at the event. What is truly wonderful about Mark are his abilities to connect with people and to also connect them with the University. He is a valuable asset to Development and I am fortunate to have him as a colleague.” – Meagan Jones
