6/1/2024	Julie Hughes	OneIT Financial Systems Support	4	Julie has been tasked with being a key subject matter expert during the Concur Travel and Expense implementation and has completed lots of system testing for configuration decisions. Julie has been a huge asset to the project due to her functional experience with Travel processes. Her work on the project has been in addition to her normal responsibilities which are fundamental to the daily operations of Financial Services. The project work has required a significant additional time commitment and Julie has done an excellent job juggling the additional work and being a valued resource on the project.
6/2/2024	Jennifer Jones	College of Education	7	Simply put, Jennifer does an outstanding job. She works with a large number of faculty members and their staff managing their grants. Jennifer goes above and beyond on a daily basis assisting and guiding COED admins with grant and state funded tasks and is always willing to drop what she is doing to help. In addition, she works creatively and diligently with PIs and other faculty on their last minute requests and changes all while completely her regular responsibilities. This is a tough role but she is rocking it so hard it seems easy. Kudos. I see and appreciate all you do.
6/3/2024	Megan Bourne	Student Affairs Marketing (for HRL)	5	Megan is the best! She's made what seems like a million edits to all my websites for Conference/Orientation/Guest/Emergency Housing, revamped my summer housing brochures, made QR codes, etc. She's made everything super seamless for me and I'm so thankful! - Sara
6/4/2024	Bill Ballinger	HRL Facilities	5	Last Thursday, the battery in my car went out after sitting in the sun all day. I was unsure what to do and so I called 2nd Shift Facilities for assistance. Bill came out and he helped jump my car and we got the car started. I really appreciate his help and assistance.
6/6/2024	Amelia Voorhees	University Events	11	In the relatively short time that Amelia has been in her position, she has learned and grown immensely. She asks questions to further her knowledge, searches for the best possible solution to problems, and brings a positive atmosphere to any situation. Amelia goes above and beyond for her colleagues. Amelia deserves all the praise and accolades.
6/12/2024	Brandi Simpson	Student Health - Administration	13	Brandi is a great colleague and leader. She goes out of her way to help others and steps up whenever needed. She's a well-rounded administrator who is aware and knowledgeable of both administration and operations.

6/19/2024	Brenda Puente	Recycling	12	Brenda Puente is an exceptional recycling technician and nice person. She works professionally and methodically with her tasks. Brenda wastes no time in getting her job done, but always has a pleasant "hello" or "good morning" for you. Her job is physical and demanding whether it's hot, rainy, icy or snowy. Still, she always has a positive spirit and great attitude. I respect her work ethic and demeanor. Brenda is deserving of the Golden Nugget Award.
6/20/2024	Kyi Aye	Building Environmental Services	12	Kyi Kyi is nothing short of amazing! Her unwavering dedication to maintaining a clean, safe, and inviting environment is matched only by her incredible work ethic and attention to detail. She consistently goes above and beyond, often anticipating our needs before we even voice them. Kyi Kyi always has a positive and friendly attitude that brightens everyone's day. Her contributions significantly enhance our daily experience, making Levine Hall not just a place to work and study, but a welcoming and well-cared-for space. We are incredibly fortunate to have such a diligent, compassionate, and reliable individual as part of our campus community, and we deeply appreciate all that she does.
6/28/2024	Zoom Phone Project Team: Oz Cankurtaran	OneIT	4	I nominate the OneIT team that worked on the Zoom phone project. The project was long and complex but the team never gave up.
