

Date of submission	Nominee's Name	Nominee's Department	Area #	Reason for nomination
7/3/2024	Ronnie Wright	grounds	15A	Ronnie Wright has done a great job seen he started and all his hard work has been notice. thank you and i really appreciate all that you do to make the campus beautiful.
7/9/2024	Kayla Pendergast	UNC Charlotte Alumni Association	11	Kayla did everything she could, and more, to help me find a space for a big event when there seemed to be no solution. She went above and beyond her responsibilities, giving me possible alternatives and advice, and good suggestions.
7/11/2024	Tony Green	Facilities Management	15A	Tony is always punctual and ready to assist with any projects we have. This time, he helped with the installation of carpet in the Foundation Building. He single-handedly moved every box from all the offices without complaining. He truly works hard. Thank you, Tony!
7/11/2024	Tony Green	Facilities Management / Grounds	15A	Tony went above and beyond on 07.11.24. We were having new carpet installed and Tony came to move equipment and boxes to another floor. Tony has always been s helpful and always willing to help with what ever he can. Tony has been a great colleague to work with and deserves recognition for all his hard work. I am nominating Tony for this Gold Nugget because he never complains and always willing to help out the. next person. Tony is greatly appreciated by me and our team members.
7/12/2024	Chantal Kiyedi	BES	12	One of our team members went on vacation. Chantal performed her duties and the other employees' responsibilities without complaining or murmuring.
7/17/2024	Lucy Bashford	FM - FIS	4	On multiple occasions, I've sent a quick Google message or email related to some GIS user permissions, and, without fail, Lucy resolves them within a day, if not an hour. The latest of which was someone mentioning how their portal access wasn't functioning. When I asked Lucy, she knew the answer right away and fixed the issue immediately.
7/18/2024	Rachel Powell	Engineering Technology and Construction Management	8	Rachel continuously goes above and beyond her job duties, I admire her creativity and willingness to create fun and informative marketing material for our department. She is a great advocate of our department representing it at New Student Orientation sessions, Admitted Student Days, to mention a few. She is also very involved within the University community participating currently in First Gen Committee, Staff Council, Advisor Mentoring program, and New Advisor Training Committee. Rachel is a great co-worker, always willing to help out in anyway without reservation!
7/19/2024	Marta Falcon	COE - Engineering Technology and Construction Managemen	8	Marta works hard for her students and wants to make sure they are able to connect with her and that she has a relationship with them. She has worked for UNCC for about 2 years now and jumped into some programs that had experienced turnover and made sure to learn the programs and most importantly worked tirelessly so that students would be able to have someone consistently there to support them and to be able to answer questions. She has also become involved in campus by joining the Latinx Caucus, by serving as a faculty advisor for a student organization on campus, she recently became a mentor for other advisors on campus, and is also colead for the committee in our department that fosters student community and belonging. She often offers her time to help with department initiatives for students and she and I are always trying to come up with ways to celebrate and support our students.
7/23/2024	Bashir Yusuf	Facilities Management - Engineering work unit	15A	Bashir is a dedicated employee and a thoughtful team member. Bashir is our campus mechanical engineer and his role requires him to work with many different teams to ensure our building HVAC systems are well designed, functional and meet the comfort needs of our campus community. Bashir treats all team members with a high level of respect and strives to understand their needs. Bashir is also tenacious. He is willing to engage difficult and complex tasks without hesitation. We are all lucky to have him on our team!
7/23/2024	Tyler Melvin	Housing and Residence Life	5	Tyler has been very busy working with on conduct and leadership programs in our department he rolled out new expectations for leadership programs. The new expectations are exciting and speak to the feedback given before as well as the state of the program. His work and passion towards leadership programs on campus and nationally are evident. Thank you for your dedication and passion.
7/23/2024	Sabrina Mateo-Lo	Housing and Residence Life	5	Sabrina has worked hard on leadership programs. Her passion and interest in the subject is clear and intentionality and effort to make it the best it can be is evident. Go Sabrina go!
7/23/2024	Bradley Kelly	Housing and Residence Life	5	Bradley has been very passionate and engaged in the leadership programs, RSA and advancing those opportunities. His work, interest and enthusiasm for the work has impressed me and shown his dedication to the work.
