2/12/2025	Borislav Dzidzura	Repros Copy Center		Just wanted to give a special shoutout to Boris from the REPROS Copy Center. I have long loved the Valentines that they print and was disappointed in 2024 when they were not available. I emailed a week before Valentines this year and Boris was quick to make sure I had some ready and printed on a tight deadline (a few days before February 14th). I was able to use the Valentine cards for a team building activity to distribute to several colleagues on campus. He took time out of his day for my simple request that impacted many more others. Thanks for loving to help others, Boris!
